

Kid's Shop for Christmas

Saturday, Dec. 13th 1pm - 4pm

* Drop your kid's off with a budget & list, where they can shop for their family members

* Nothing over **\$2 per gift**
(Even if it costs more. The imagine this LLC faith community will cover the difference.)

* Volunteer adults will help kids shop if needed

* Wrapping included

* After the kids are done shopping and having their gifts wrapped they can go downstairs to watch a Christmas movie until you return to get them.

* Coupons available for local downtown businesses for parents to go shopping while their children are doing Kid's Shop.

More about Kid's Shop

The faith community of imagine this LLC, recognizes that there can be a great deal of financial burden during the holiday season.

With the help of community members and area businesses we've created an event that children can express themselves through gift giving without overburdening the parents already stretched holiday budget. We underwrite and provide quality gift items that a child can purchase and give to family members at a purchase price of \$2.00 and under for each item. This simple ministry allows a child to enter into the true meaning of Christmas, giving, while preserving the family's budget.

It is important to note that this is not a fundraiser. It is another way that we can meet the needs of our friends and neighbors. So if you want your child to feel great holiday spirit join us this year for Kids Shop for Christmas

Members of the Church will be personal shoppers to help the children that need help. We will also have lots of people helping the kids wrap the presents. Send the kids with a list of names and an amt. you will allow them to spend and we will help them do that.

Everyone
Welcome!

We are having this event the same time the Grand Ledge downtown businesses are having a special shopping day for adults. We are working together so that adults can shop downtown while the kids are shopping at the Church. We will put a kids Christmas movie on downstairs and we'll entertain them until you return to check them out.
